The Art of Communication is the Language of Leadership

Learn the Power of Communication: FDP conducted for Christ Academy School

10-day FDP on “Learn the Power of Communication” was conducted for the Christ Academy ICSE and CBSE school teachers in the month of April. The sessions were conducted for a total of 150 teachers in three batches. The FDP for the first batch was conducted by Dr. Bhuvaneshwari. Mr. Shival Thakkar conducted it for the second batch and Ms. Uma Gopal conducted it for the third batch. The entire FDP was co-ordinated under the guidance of Rev. Fr. Antony, our Director and Dr. Sebastian, Principal, CAIAS. The content for the FDP included ways and means to communicate better in English and bring value in classroom teaching through riddles, role-plays, Pictionary, discussions and analysing commonly made errors based on the plurality of India. They were all given worksheets for classroom work that was continuously assessed. The participants also took home the importance of the LSRW formula in improving their fluency. The participants found the sessions informative, interesting and participated whole-heartedly. They said that they were looking forward for many more such sophisticatedly-designed sessions like this in future. They also opined that the sessions were ideal as the classes were not only educative but also engaging and they would be introducing a few methodologies in a staggered way in their classroom teaching too. Certificates of completion were given away to the teachers after conducting an assessment.
