### ABSTRACT

Gender Equality and Diversity in the verticals of leadership and decision making are increasingly recognized in all spheres. For economic, political and social progress the presence of women leaders at all levels are critical. It is very important to understand how they have learned to overcome the organization hurdles and how strategically one to deploy their strengths in diversified areas. The major objective behind this program is to connect with women leaders and understand how they dealt with challenges on their path to success.

Choosing the theme of International Women's Day 2022(IWD), CAIAS SBM proudly presents an International Leaders Talk Series II , Break The Bias- Forging a path to inclusiveness”

We have women leaders from multiple continents (Asia, Africa, Europe and North America), focusing on areas like Changing work culture , Managing the stereotype mentality, Future Workplace diversity Mental Health & Wellness in world of biasness, Gender wage Gap and the challenges faced in empowering women leaders.

Moving ahead with the leaders talk series proceedings, she talked about the role of women in taking up the leadership position with full confidence.

Day 2 (08-03-2022)

**Resource person: Ms. Mmnlha Sankoloba**

She spoke about the different roles assumed by the women in 21<sup>st</sup> century in the society with stress on women empowerment, sustainability and education. She defined woman as, “epitome of strength, love, sacrifice, and courage.” She asserted that, the role of woman has significantly changed in the modern times and for better. Women got stronger over a period of time, so, woman equality day is highly significant in modern era. she recalled the values of Mother Teresa and appealed to the audience that, small contribution does make a significant difference and can create many ripples in the world. She emphasized on women education as a key for women empowerment. She reiterated that, educated women can bring down the situations of war and poverty by educating the children of both genders. Her simple and humanitarian views on women empowerment were greatly appreciated and accepted by the participants. It was an enriching experience for the participants which helped them developing a respectful and equitable view on role of women in building the nation. The participants asked many questions on the role of women in male chauvinist society, addressing

challenges for progressive women and keys for women empowerment, all of which were patiently answered by the resource person
