of SDG 2023

### Report of the Event

The FDP on “Teaching Dynamics: Contemporary Challenges and Solutions” was conducted by the Department of Arts and Humanities from November 29 to December 2, 2022, open to all faculty members of Christ Academy, Institute for Advanced Studies. The invited guest was Professor Dr. V. Ganeshan. Emeritus Professor of German and Former Vice Chancellor, CIEFL. The event was graced by the presence of Rev.Fr.Dr.Babu Paul, the Principal, CAIAS, Rev.Fr. , the Vice-Principal and Prof. Uma Gopal, Head, Department of Arts and Humanities. The inaugural address was delivered by the Principal and the gathering was addressed by Head, Department of Arts and Humanities, Prof. Uma Gopal.

The objective of the event was to explore the challenges faced in the contemporary teaching scenario and address them adequately. The FDP was conducted for five days and it dealt with five different topics. A true teacher, as per Ganeshan, is called a Guru and he/she helps in transforming the students remarkably. Values are empowering tools that help us to think and decide critically. Education is the process of inducing critical reflective thinking and responsible behaviour in children. It also focusses on the balance of tradition and modernity in an individual.

The FDP was attended by teaching faculty of all the departments and the valedictory address on the culminating day was delivered by Rev.Fr.Joshua, the Vice-Principal, CAIAS. The guest was presented with a memento and sapling on behalf of Christ Academy, Institute for Advanced Studies by the Vice Principal.
