**SCHOOL OF BUSINESS AND MANAGEMENT
MIND THE GAP - CORPORATE TALK SERIES ON BUSINESS
ANALYTICS**

Date of event: 6/9/22

Venue: First Floor Seminar Hall

Target Audience: MBA Students

Event In Charge: Dr Shilu

No: of Attendees: 50

Resource Person: Mr. Mohan Kumar, Practice Head, Wipro

On 6th September 2022, the School of Business and Management of CAIAS, organized the Corporate Talk Series- "Mind the Gap", on the topic 'Business Analytics', by Mr. Mohan Kumar, practice head for Wipro.

Dr. Binu Paul, Director of School of Business and Management, has welcomed Mr. Mohan Kumar with a sapling. Ms. Jeevitha from 1st year MBA has welcomed Mr. Mohan Kumar and she has done MC for the event. Mr. Selvin Dsouza from 1st year MBA has introduced the speaker of the day, after that the speaker Mr. Mohan Kumar took over the session.

The program was started exactly at 11AM and it was a two-and-a-half-hour session. First and second year MBA students of CAIAS were the audience for the corporate talk.

Mr. Mohan Kumar, resource person for the day has given a clear insight into Business Analytics to the students.

He spoke about, today's business battle ground, new trends that emerging at work place, how covid-19 has impacted on various departments of the business, Gig economy opportunities, data management, big data, big data analytics, digital way of digital business, different digital

technology areas, factors driving business, business analytics, the need for analytics, analytics tools and platforms and about the different functional areas where analytics have more impact. The students were advised by the speaker on improving their excel skills, that would be in par with the industry requirements.

The speaker mentioned about digitalization and it's importance in today's business world. Mr. Mohan Kumar, also spoke briefly about the digital technology areas, where students can focus more for getting better job opportunities in the future.

The speaker pointed the importance of business analyst and benefits of business analytics, which helped the students to acquire insights on business analytics.

Later the speaker provided the opportunity for everyone to have an informative Q&A session, during which the resource person responded to the doubts and queries of the audience.

The spectrum of questions posed by the students ranged from the application of Business Analytics to the skill set required in business world.

Mr. Mohan reiterated that Business Analytics has the ability to bring new dimensions to business thinking. He pointed out how good hands own experience on Excel, Tableau and SPSS tools can make analytics predict the movement of the stock prices and forecast the growth of the economy or patterns of consumer behavior.

After that the speaker took the initiative for a quiz time and he gifted chocolate to the participants those who given the right answers for the questions.

At the end of the enlightening discussion, on behalf of School of Business and Management, Dr. Benjamin Jones, Assistant Professor of SBM, presented a memento as a token of appreciation to the speaker.

Mr. Naveen Jacob Koshy from first year MBA proposed the vote of thanks for the fruitful session, brought an end to the informative corporate talk session, leaving the audience with motivational impact to excel in the path of consistent growth and improvement.
