ANNUAL SPORTS MEET

Event Name: Annual Sports Meet and Annual Sports fest

Event In-charge: Devaraj N D

Date: 16th and 17th June 2023

Christ Academy Institute For Advanced Studies conducted annual sports meet on two days i.e. 16th and 17th June 2023. Before 16th we had conducted few group events like badminton, table tennis, swimming, yoga, cycling and marathon.

Day 1 – 16 June 2023

On 16th June 2023, we had our annual sports meet open by our principal Rev Fr Dr. Babu Paul with his addressing the meet and the day was started with all group events. First we had all four groups i.e. Sky Hawks, Red Bulls, Knight Wolves, Alpha Blue performing their dance performance and then it was followed by various group events namely we had throwball, volleyball, kabaddi, basketball and football. We had all these events simultaneously going on in different play areas. All the events were played very enthusiastically and with lot of competition between the teams. So, to finish off with all the games it was done by evening.

Day 2-17 June 2023

On 17th June 2023, it was the main day for all the Christies to see which team would be the overall champion for 2023.

So, it started with formal sports day format as we had to begin with march past. First it was the student council, NCC, NSS and followed by all the four groups marching forward. After the march past once we gathered, we had the welcome speech and then fathers address the gathering and then few words shared by our chief guest Ms. Manju T Abraham Indian badminton player and then declared the sports meet open.

Then it was followed by the prize distribution for all the group events that had took place the previous day and accordingly the prizes were given to all the events that had took place.

After the prize distribution it was the day for students to show their athlete spirits on the track as all the track events took place one by one. We had 100m, 200m, 400m, relay, shot put, long jump and many such games on day 2. So everyone participated with all their efforts and according we had scores given for all these events and would be finally counting the scores and would decide the overall champions.

So after all the events were finished it was for the time for that major moment to receive the overall champion trophy by the group. And the result was announced by our principal. This annual sports meet had a very good tough competition between the winners and the runners and it was a very competing day to each one of us. So it was the end of the day and event and was concluded by vote of thanks.
