

Department of Arts and Humanities

Undergraduate- BA JPE (Journalism, Psychology, English)

Program Educational Objectives (PEOs)

- **PEO1:** Graduates will apply critical and creative thinking with cultural awareness, human values, and environmental consciousness across journalism, psychology, and literature to adapt to a changing society.
- **PEO2:** Graduates will engage ethically and inclusively, using their interdisciplinary skills to promote justice, sustainability, and positive social transformation.
- **PEO3:** Graduates will cultivate mindful living, personal growth, and responsible citizenship, contributing to community well-being and holistic societal development.

Program Outcomes (POs)

- **PO1:** Analyze socio-cultural complexities with empathy and visionary thinking to inspire positive societal change.
- **PO2:** Interpret language with depth and communicate effectively across traditional and digital platforms with ethical responsibility.
- **PO3:** Bridge academic knowledge with real-world applications, fostering adaptability and holistic growth.
- **PO4:** Conduct ethical research with global awareness and empathetic leadership to drive constructive progress.

Program Specific Outcomes (PSOs)

- **PSO1:** Integrate journalism, psychology, and literature to create compelling, ethical narratives that promote social change.
- **PSO2:** Apply interdisciplinary research methods to explore human experiences with mindfulness and cultural awareness.
- **PSO3:** Lead ethical and inclusive communication across media platforms to foster community well-being and sustainable progress.

Postgraduate- MA English

Program Educational Objectives (PEOs)

- **PEO1:** Apply research and critical inquiry to interpret socio-cultural complexities.
- **PEO2:** Communicate creatively and ethically across traditional and digital platforms.
- **PEO3:** Lead with empathy and lifelong learning for sustainable societal progress.

Program Outcomes (POs)

- **PO1:** Demonstrate theoretical argumentation and intellectual leadership to challenge paradigms and reshape humanities scholarship.
- **PO2:** Undertake advanced interpretive and linguistic analysis to elucidate the deeper semantic and cultural dimensions of literary texts.
- **PO3:** Produce high-level academic writing, digital scholarship, and innovative research to contribute original ideas in literary academia.
- **PO4:** Design and lead rigorous research projects with interdisciplinary synthesis and mentorship for knowledge creation.

Program Specific Outcomes (PSOs)

- **PSO1:** Apply contemporary theories to critique, deconstruct, and reconstruct literary canons, advancing cultural and societal understanding.
- **PSO2:** Produce independent, publishable research and engage in scholarly collaboration to advance literary studies.
- **PSO3:** Provide academic leadership in teaching, supervision, and curriculum design to transform institutions and mentor future scholars.
