

# CAIAS

Placement Report 2025

## About Christ Academy

The Christ Academy Group of Institutions was established in 2005 in Bangalore under the Devamatha Educational Foundation trust, with the vision of providing value-based education rooted in excellence and service. The journey began with the establishment of the Christ Academy ICSE School, followed by the addition of the CBSE School, the PU College, the Degree and Postgraduate College (CAIAS), and the Law College, making it a comprehensive educational hub.

Christ Academy Institute for Advanced Studies (CAIAS) was founded in 2016 under Bangalore University and is approved by the AICTE with an NOC from the Government of Karnataka. CAIAS is a minority institution run by the Carmelites of Mary Immaculate (CMI), a Catholic religious congregation established by St. Kuriakose Elias Chavara, a visionary educationist and social reformer who dedicated his life to transforming society through education and faith.

Though CAIAS is a minority institution, it is deeply committed to providing quality education to all students without distinction of religion, caste, or creed. The institute blends academic excellence with a holistic approach to learning, fostering intellectual curiosity, ethical values, and social responsibility.

The CMI Congregation, inspired by its founder's legacy, has significantly contributed to education in India and abroad. It manages an extensive network of institutions that continue to enlighten minds and transform lives across the globe.

At CAIAS, students can pursue a well-rounded education in diverse disciplines, including Business, Management, Commerce, Computer Science & Applications, Arts, Humanities, and Sciences. The institute's innovative pedagogy, eco-friendly campus, and vibrant extracurricular culture foster a holistic learning environment that nurtures knowledge, creativity, and personal growth.

#### **Message from Rev. Fr. Antony**

At CAIAS, students can pursue a well-rounded education in diverse disciplines, including Business, Management, Commerce, Computer Science and Applications, Arts, Humanities, and Sciences. The institute's innovative pedagogy, eco-friendly campus, and vibrant extracurricular culture foster a holistic learning environment that nurtures knowledge, creativity, and personal growth.

At Christ Academy Institute for Advanced Studies (CAIAS), we believe that true education extends beyond classrooms and textbooks. Our academic programs are thoughtfully designed to impart knowledge, shape character, nurture creativity, and instil a deep sense of purpose. Through a comprehensive degree curriculum enriched with tailor-made value-added courses, we empower our students to grow into competent professionals and compassionate individuals.

At the heart of our transformative philosophy lies Samagra, our flagship initiative on 'Conscious learning for a sustainable future.' It fosters the integral development of every student, ensuring that intellectual excellence is complemented by moral strength, emotional intelligence, and social responsibility. This program prepares our students to meet the challenges of a rapidly evolving world with integrity, confidence, and a deep commitment to building a better future.

Our strong industry partnerships and specialised certification programs provide real-world exposure and industry-relevant skills, giving students a distinctive edge as they transition into the professional sphere. We take immense pride in presenting our students to the corporate world\*\*—\*\*not just as job seekers, but as future leaders who will drive positive change. Each CAIAS graduate embodies ethical leadership, innovation, and the courage to act responsibly in their chosen fields. It is this blend of knowledge, values, and vision that makes our students truly exceptional and our institution proud.

**Fr. Antony Davis**  
**Principal**  
**Christ Academy Institute for Advanced Studies**

#### **Message from Rev. Fr. Joy**

At Christ Academy Institute for Advanced Studies (CAIAS), we believe that true success is achieved when passion and purpose align. Our Placement Department plays a vital role in helping students discover this balance, bridging academic learning with professional aspirations. Through corporate collaborations, internships, and skill-based programs, we prepare students to meet the demands of a dynamic world with confidence and competence.

As you step forward, remember that hard work builds the foundation, while excellence shapes the journey ahead. Let integrity, curiosity, and dedication guide you, for every effort you make today contributes to both your professional success and personal growth.

"Love what you do and do what you love—this is the key to meaningful success."

**Fr. Joy**  
**Joint Director**  
**Christ Academy**  
**Institute for Advanced Studies**

# About Centre for Placements and Career Guidance, CAIAS

The **Centre for Placement and Career Guidance (CPCG)** at Christ Academy Institute for Advanced Studies plays a pivotal role in bridging the gap between academic learning and professional success. We provide end-to-end support for students' placement journeys through structured career planning, targeted training, and industry engagement.

- Faculty
- Academic Assistant
- Probationary Customer Service Associate

# Student Development and Corporate Readiness Initiatives - Highlights

To bridge the gap between Academia and Industry expectations, a series of Campus to Corporate and Corporate Talk sessions were conducted for our students. These initiatives focused on enhancing employability skills, corporate readiness, and domain-specific knowledge through expert-led engagements.

## **Campus to Corporate Series:**

Fundamentals of Interpersonal Communication for Business Impact

Resume Writing Workshop

MBA SkillEdge Program

Employment Skills Presentation

These sessions aimed to equip students with essential communication, presentation, and professional skills, preparing them for the transition from campus to corporate life.

## **Corporate Talk Series:**

To provide industry insights and exposure to contemporary business practices, eminent speakers from diverse sectors interacted with students on various themes:

Pursuing My Passion – Choice of Electives to Climb Up My Career Ladder

By: Ankur Verma (International Certified Career Coach)

AI Literacy for Future Managers: Understanding, Adapting, and Leading in an AI-Driven World

By: Dr. Anand Lakshmanan (Founder & CEO, Sirpi.io)

Corporate Leadership and Executive Presence: Adapting to the Corporate Environment

By: Sukanya Raghunathan (Corporate Soft Skills Trainer)

Bits to Bucks: A Fintech Talk

By: Kiran Kumar K. V. (Author, Consultant Faculty - IIM-K/BITS/Masters Union)

Through the Lens of a Marketer: Then, Now, What's Next

By: Nitin Mohan Goyal (Advertising & Digital Marketing Consultant)

Career Opportunities in the World of Finance

By: Pandurang Patkar (CFP, Founder - Fin Edu Care, BFSI Trainer)

The Compensation Puzzle: How HR Connects Job Performance and Benefits

By: Janet Pappachan (Senior Practice Lead - Infosys)

These sessions offered valuable perspectives on leadership, technology, marketing, finance, and human resource management, contributing significantly to the holistic development of students.
